★ fun fact!

our original name was "Dr. Teeth and the Electric Mayhem" which is the name of the Muppets Band. In 2017 the name was changed to **Teeth Bar SF** in order not to get sued by Disney (the Muppets owner)...

we take quality seriously... did you know?
we grind our own hamburger meat in house?

We use a combination of fresh brisket and chuck meats to get that juicy, delicious flavor. We also make all of our wing sauces as well as the ranch and blue cheese dressings!
